Virtual Guideways and Stations Project Design and Construction Trades

Thursday, November 16th 2023 2:00PM-4:00PM [**\(REGISTER HERE\)**](#)

As part of the Port Authority's multi-phase procurement process for the AirTrain Newark Replacement Program, this event for local MWBEs will provide an overview of the Guideways & Stations Project portion of the AirTrain Newark Program and feature the short-listed proposer teams (CFH AirTrain Partners, Liberty AirRail Partners, Liberty AirTrain Constructors, Tutor Perini/ O&G, a Joint Venture).

We invite local MWBEs in the following categories of work:

Design Services:

Architectural, Engineering (Civil, Structural, Mechanical, Geotechnical, Electrical, Plumbing, Communications); Environmental and permitting; Commissioning; Construction Inspections

Testing:

Subsurface soil and rock boring sampling; Utility Surveys and testing; Materials sampling

Construction:

Foundations (excavation, deep foundations – piles, caissons); Concrete Civil/Sitework (drainage, paving, utilities); Structural Steel Fabrication/Rigging/Erection; Maintenance and Protection of Traffic; Environmental (Erosion control); Building Envelope and Finishes/Architectural (curtain walls, wall systems, wall panels, miscellaneous metals, flooring, interiors, etc.); Roofing; Fire Protection; Mechanical (HVAC), Electrical, Plumbing systems; Passenger Circulation (Elevator, Escalators, Moving Walkways); Painting; Demolition; Lighting; Signage and information Kiosks; Landscaping (fencing, etc.); Trucking; raceways / cable trays / junction boxes; electrical installations; automatic doors; mechanical equipment installations
