Short Term West 39th Street Full Street Closures on October 9th, 13th and 14th – Between 9th and 10th Avenues

Project Overview: The Port Authority of New York and New Jersey and its contractors, MLJ and Tutor Perini, will be conducting three short-term roadway closures on West 39th Street, between 9th and 10th Avenues. This work will support roadway paving and facilitate new bus movements, as previously advised on October 2nd, 2026.

Contractor	Need for Closure	Timing
Tutor Perini	Roadway paving	October 9 th , 6:00 AM – 2:00 PM
MLJ	Altering traffic barriers to support previously announced changes to bus routing as previously notified on 10/2/26	October 13 th , 6:00 AM – 2:00 PM
Tutor Perini	Deployment of maintenance of traffic equipment to support bus movements	October 14 th , 6:00 AM – 2:00 PM

These activities are not anticipated to generate significant noise.

Expected Closures and Detours: During these three closures the Port Authority will be conducting a full roadway closure for vehicular traffic on 39th Street between 9th and 10th Avenues. The south sidewalk and bike lane will remain open.

Please see the graphics to the right for further information. The closed roadway is highlighted in yellow. West 39th street between 9th and 10th Avenues will be re-opened to local traffic after 2:00 PM. Businesses on 39th Street will be able to maintain access to their buildings along the eastern section of the street. This portion of the street will operate as a cul-de-sac assisted with flaggers. This condition is similar to the previous closure of 39th Street.

Alternative Travel Routes: All westbound traffic will be detoured to 37th or 41st Streets.
